

Aberdeen School District will provide midday kindergarten bus services to patrons on the following basis:

1-Routes will be review each year in order to minimize travel and will be set annually by the Board of Trustees in the August Meeting.

2-Students will be assigned specific kindergarten sessions at the discretion of the principal in order to maximize the efficiency of the bus service.

3-Beginning with the 1990-91 school year, the district will provide kindergarten students with door to door service.

4-At no time during a bus route will a pre-school student or a kindergarten student be dropped off without a parent or other responsible, designated person at the bus stop or clearly visible for the driver to see him/her. If the driver does not see anyone at home, the child will be returned to school.
