

**ABERDEEN SCHOOL DISTRICT # 58**

Aberdeen School District will provide students transportation to Springfield, to meet the Blackfoot school bus to travel to the Independence High School in Blackfoot on the following basis:

1-Students must be eligible to attend the Independence High School and obtain the high school principal and or middle school principal and superintendent's permission to transfer to the Academy and Independence High School.

2- The home district must agree to pay its fair share of non-reimbursed costs including liability insurance.

3-Students being transported to the Academy and Independence High School are subject to all rules and regulations that apply to all Aberdeen School District students who use district provided transportation.

4-Alternate school transportation will originate and end at the school districts transportation bus shop.

5-Rider-ship on the alternate school bus route will be on a first come first served basis because of the availability of space.
