

The board of trustees, in compliance with the action of the Idaho legislature, seeks to protect its employees from harmful liability and informs those employees of protections available to those employees.

A list of providers of professional liability insurance for educators will be annually made available to employees. Employees who interact with students are encouraged to have such insurance but are not in any way required to have such insurance. Information regarding the professional liability insurance for educators, to be made available to employees shall include the name of the providers, business mailing address, telephone number and website information regarding providers meeting the requirements of Idaho Code Section 33-524(4) who have submitted such information to the district by June 30 of the year. The district shall make such information available for the ensuing school year.

AMENDED:

ACKNOWLEDGMENT OF RECEIPT OF LISTING OF
PROFESSIONAL LIABILITY PROVIDERS

In compliance with Idaho Code Section 33-524, the district is required to provide all employees with a list of professional liability insurance options and those employees who have interaction with students are encouraged to have such insurance although there is not requirement that employees do so.

I acknowledge that the district (or charter school) has provided this listing to me on the first day that I was required to report for employment this school year and that I have reviewed the listing.
