Family Educational Rights and Privacy Act (FERPA)  
Annual Notice of Directory Information**

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Aberdeen School District No.58, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information (PII) from your child’s education records. However, the district may disclose appropriately designated “directory information” without written consent, unless you have advised the district to the contrary in accordance with district procedures (*see* Policy No. 681, Student Records, and Policy No. 681F3, FERPA Directory Information Opt-Out Form). The primary purpose of directory information is to allow the district to include this type of information from your child’s education records in certain school publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the district that they do not want their student’s information disclosed without their prior written consent.

If you do not want Aberdeen School District No. 58 to disclose directory information from your child’s education records without your prior written consent, you must notify the district in writing by August 1<sup>st</sup> of the current school year. This district has designated the following information as directory information:
